**NATIONAL SERVICE SCHEME (NSS)**

**UNIT- 1**

## Reports on “Rashtriya Swacchata Pakhwara” (1- 15 August)

**Date- 04. 08. 2018**

**Venue- Nagar Bhavan Lohardaga**

**Theme: “Drive against corruption”**

The NSS volunteers participated in the program which was conducted at Nagar Bhavan Lohardaga. The 50 NSS volunteers took part in this program. The theme of the program was “**Drive Against Corruption.**” The chief guest of this program was the public commissioner Dhruv Narayan Upadhyaya, Jharkhand and other guests of Honor were present. The program started by lighting the lamp. The NSS volunteers sang a welcome song. The welcome song was really heart touching. They were appreciated by the chief guest and other members present at the dais. The chief guest spoke about the “**Drive against corruption**” He said that corruption is like an incurable disease which all the citizens should try to combat by hook and crook. Corruption is found in both public and private organizations. Corruption is not only harming the people by using any means and taking the lives away or making the lives troublesome, but it also means that we are polluting the environment worse affective and dirty. The people are not aware of the pollution that they use to take the lives of others. They throw the garbage in the open public places. So this is also one type of corruption which we need to remove from us and among us. We need to be aware of this corruption. And to reduce corruption anti-corruption measures could be adopted. We need to co- operate each other in building up the just and clean society. He also spoke about the filing of the problem. In this he talked about whom to consult and whom to complain. At the end there was question answer session. The NSS volunteers asked many questions regarding corruption. Program ended at 3 0'clock. The NSS program Officer thanked and congratulated he NSS volunteers for their active participation in the program.

**Venue- UWTTC, Lohardaga campus**

**Theme: Cleaning the college campus and its surrounding**

The NSS volunteers of UWTTC Lohardaga participated in a campus cleaning program under the guidance of Dr. Sr. Shila, principal of the college, Sr. Nirmala, NSS Program Officer, sr. Regina the committee member of NSS and other staff members. Sr. Nirmala divided the Volunteers into small groups and each group members were allocated with different particulars for cleaning such as sickles sacs baskets brooms and dustbins to clean the surroundings. The NSS volunteers cut the grasses of the playground so that we can have March past practices nicely. They also cleaned the gardens of the college and residence. One of the groups cleaned college hall so the on 15<sup>th</sup> of August we can have program. The volunteers also collected some of the renewable such as dry leaves twigs and papers. These wastes materials such as grass and dry leaves were put in big pit and covered with mud so that after few days it may be used as manure. At the end the NSS program officer thanked all the volunteers for their generous services.

**Theme- “Swachh Survekshan Grameen Apps 2018.”**

“SSG 18” apps or “Swachh Survekshan Grameen apps” is an online app launched by ‘ The Ministry of Drinking Water and Sanitation,’ which intends to undertake a ranking of states and Districts on the basis of their performance attained on quantitative and qualitative parameters. The recourse persons for today’s program were from e- Governance of India. Mr. Varun Kumar, Miss. Sunita Kujur and other co- staff made us aware about this SSG-18 app. They gave the demonstration on how to download the app. This app would be useful in collecting information from the citizen about the swachh survekshan. This also provided feedback to the government. All the NSS volunteers and other students together with teaching staff participated in this program and downloaded the SSG 18 apps from their mobile phones. The program ended with the vote of thanks delivered by Dr. Sr. Shila, Principal of the College.

Theme- Competition on **“Swachh Bharat Mission”**

The NSS Volunteers of UWTTTC, Lohardaga participated in Essay Writing Competition and in Poster Making Competition. The 50 NSS volunteers took part in Poster making competition and for this the topic was based on Swachhata Abhiyaan but some of the students selected their own topic related to Swachh Bharat Mission. And 50 NSS volunteers participated in Essay writing competition based on the given topic. Some of them selected the different theme based on the above-mentioned topic. Sr. Nirmala, the Program Officer of NSS gave the instruction about the competition and to maintain the discipline during competition. This competition was conducted to check the students how much they are aware of this mission. The participants got sufficient time to make the poster and to write an essay. Program Officer thanked other committee members who helped her to complete this task.

## National Service Scheme

State- Jharkhand

District- Lohardaga

College- Ursuline Women's Teachers' Training College, Lohardaga

Date- 25<sup>th</sup> - 30<sup>th</sup> May 2020

Theme- SERVICE TO THE PEOPLE DURING LOCKDOWN

*Sr Shila*  
PRINCIPAL  
URSULINE WOMEN'S TEACHERS'  
TRAINING COLLEGE  
LOHARDAGA, JHARKHAND-835302

**1. Activity- Services given to the patients in the hospital during lock down period.**

- During the period of lock down the NSS volunteers of Ursuline Women's Teachers' Training College Lohardaga took initiative to give their services to the patients of St. Ursula Hospital Lohardaga. The services given to them every day for one hour i.e. 8 to 9 AM.
- They started their services from Monday to Saturday.
- Together with NSS PO and Sr. Regina we adopted the Ursula Hospital to render our services to the sick person.
- We use to make their bed, to give them bath, taking care of the patients in the maternity ward such as taking the small children for bath, putting them clothes and giving them drops with the help of doctors and nurses.
- Apart from these activities the NSS volunteers helped in making medicine pocket with the newspaper and cotton ball.

LOHARDAGA, JHARKHAND-835302

**2. Activity- Adoption of old Men and Women in the Hospital and in their families, neighbors and relatives.**

- The NSS volunteers adopted some of the patients who are old they need care and supports.
- They began to help them by giving the food, medicines, bath and body massage.
- They provided them fruits every day.
- Every day they spend few hours in their services.
- It is really a grace filled lock down for all these sick and the old men and women to be serve by the NSS volunteers.
- They are trying their best to fulfill the motto of NSS “NOT ME BUT YOU”.

## International Youth Day

**College:** Ursuline Women's Teachers Training College, Lohardaga  
**Venue:** College Auditorium  
**Date:** 12.08.2022  
**District:** Lohardaga

The NSS volunteers of Ursuline Women's Teachers' Training College celebrated the International Youth Day on 12.08.2022. Dr. Waghmare Prasad Krishna IAS, DC, Lohardaga was the chief guest. There were many special guests to grace this occasion. Dr. Sr. Shila the principal of B.Ed. and M.Ed. College hosted the chief guest. On this occasion at first the chief guest and the principal planted the oxygen releasing plant (Evergreen tree). Thereafter, to mark the day "Har Ghar Tiranga" Abhiyaan was campaigned in the college premise. We proceeded towards the College Auditorium with flag.

The programme started with the Lighting the lamp and opening dance.

### **The activity observed were:**

1. **Enacting the theme**
2. **Script telling**
3. **Poster making competition on HIV**

1. The competition began, enacting the theme "**Intergenerational Solidarity Creating a world for All Ages**". Under this main theme the students enacted on the sub theme "**Digital India**". This theme motivated and helped the students to take initiative to learn the different apps and get educated through Educational Technology, blended learning, digital native and E-learning. Today the youth is excelling in different field due to digitalization in India. Still, some of the youths in remote area are not getting opportunity to go for the education. We need to strengthen them as far as we can. The competition was between the 4 groups namely St. Angela, St. Ursula, St. Augustine and Fr. John Lambertz groups.

### **2. Script telling Competition:**

The students were divided into 4 groups each group consisting 24 students. There were eight participants. The script was based on the sub theme "**Digital India**".

### **3. Poster Making Competition:**

The theme of poster making competition was Awareness towards HIV. It was individual competition.

## शिक्षक तकनीक का ज्यादा से ज्यादा इस्तेमाल करें : डीसी

लोहारदागा, संवाददाता। अंतरराष्ट्रीय युवा दिवस-2022 के मौके पर 12 अगस्त को उर्सुलाइन वीमेस टीचर्स ट्रेनिंग कॉलेज में अंतर जन्मपदवी एकता विषय पर कार्यक्रम आयोजित किया गया। मुख्य अतिथि लोहारदागा उपपुष्पका डा कायपार प्रसाद कृपा ने प्रशिक्षुओं को संबोधित करते हुए कहा कि कोविड काल में तकनीक का इस्तेमाल ने बच्चों को पढ़ाई को बहुत आसान बनाया। हालांकि पहाड़ी व सुदूरवर्ती क्षेत्रों में रहने वाले बच्चों को बहुत अधिक कष्टदा नहीं हुआ।

वेसे क्षेत्र जहां मोबाइल नेटवर्क नहीं था या जो मोबाइल का खर्च खान नहीं कर सकते थे उनके कार्पो प्रोब्लम हूँ। लेकिन देश में कई राज्यों में ऐसे भी कार्य हुए जहां रहने वाले शिक्षकों ने ऐसे छोटे-छोटे विडुअस कंटेंट तैयार कर बच्चों तक पहुंचाया। इससे बच्चों को पढ़ने में काफी मदद मिली। शिक्षकों के पास ऐसी तैयारी अवश्य रहे जिससे शिक्षा सभी तक पहुंचे। शिक्षक तकनीक का ज्यादा से ज्यादा इस्तेमाल करें। आज के बच्चों को इतिहास जरूर जानना चाहिए।

इतिहास व पुरानी बातों से शिक्षा लेकर अपने वर्तमान को और मजबूत करना चाहिए। कार्यक्रम में देश भक्ति गानन से संबोधित प्रतियोगिता हुई। इसमें प्रशिक्षुओं ने लोगों को मंत्रमुग्ध कर दिया। इसमें विजेता छात्रों के सर्वश्रेष्ठ तीन समूह का चयन किया गया। कार्यक्रम में कालेज की प्राचार्या रीला, आईक्यूएससी सदस्य राधामा खान्ना, परमानन्द अग्रवाल समेत सभी शिक्षक-प्रशिक्षक और बड़ी संख्या में छात्रों मौजूद रहे।

# **REPORTS ON SWACHHATA ACTION PLAN AND VISITATION TO THE INSTITUTION FROM STATE COORDINATOR MGNCRE**

**Date: 30. 01. 2021**

## **About the College:**

Ursuline Women's Teachers' Training College, Lohardaga is established, run and managed by the Lohardaga Charitable Ursuline Teachers' Training Centre Society which was known as Ranchi Ursuline Society. It is registered under the Registration of Societies Act XX1 of 1860, No.77 of 1957-1958. Later it was renewed on 14.02.2002 under the Registration of Societies Act 21, 1860, No 232 of 2005-2006. It is a Christian Minority institution established and administered according to the provision of article 30 of the Constitution of India. This institution is situated in tribal belt of Jharkhand. The institution lays stress on empowerment of women.

The history of this college reveals that in order to meet the growing needs of young women graduates of Chotanagpur in the state of Bihar (now Jharkhand state) the ursuline society submitted a proposal to Ranchi University asking permission to start a diploma course in Home Science in 1970. The delegation deputed by Dr. George Jacob the then Vice Chancellor of the University together with R. K Prasad the Dean of Education Faculty cum Principal of Teacher training College Ranchi and other Team member came to visit our institution. They then strongly recommended that as Chotanagpur requires badly "A Women's Teachers' Training College", the Ursulines should rather start a Teacher Training College for Women. They further reiterated that the establishment of a Women's Teachers' Training College was an absolute necessity to meet the educational needs of the state. The existing Government Teachers' Training College, Ranchi was not in a position to admit all the girl- students since the seats were limited. Thus, on their advice the Ursuline Women's Teachers' Training College came into Existence on 1st September 1971.

The Ursuline Society has been working in the field of education in Chotanagpur ever since 1903. It has several High Schools and Middle Schools both English and Hindi Medium, it is running Intermediate Colleges and ANM Nursing Training Colleges so efficiently for the women of Jharkhand. The society has been conducting Teachers' Training Colleges like D.El.Ed.(2), B.Ed. (1) and M.Ed. (1), to prepare good mothers, and good teachers in order to add quality in the world of knowledge. The College is recognised by NCTE and Accredited by NAAC.

## **The Vision Statement:**

Ursuline Women's Teachers' Training College Lohardaga, enables the students to become integrated persons, and torch bearers of future generation, face the challenges of life, recognize the human dignity and contribute to the building up the Nation.

## **About Activities:**

In 2017 the College received a letter from Ranchi University to indicating to established the NSS cell. Since then, the NSS volunteers are working on two aspects namely, Regular Activities and Special Camping. The institution organises different activities like competitions, workshop and seminars awareness programmes, Blood Donation Camp and also observes National and International festivals. These are helping the students to develop the sense of responsibility towards nation and society, to maintain discipline and create leadership quality in themselves.

## **About Swachhata Action Plan (SAP):**

Under Swachhata Action Plan the institution has formed the five committees based on five aspects namely: Water Management, Solar Energy and Conservation, Greenery Management, Waste Management and Land use management. Each committee consists of one teaching staff and one non- teaching staff. Every one work together to fulfil the growing need of the environment and protect and save it for the future generation. Under the SAP the institution has organised different activities like essay competitions, poster making competitions, online webinars, poem competition, slogan writing, debate and awareness programmes in the campus and in the adopted village. And doing so we have maintained the environment clean and created the eco- friendly campus. The institution also observes World Water Day, World Environment Day, No Plastic Bag Day and Earth Day so that students able to understand the value of it and develop the sense of responsibility toward the environment protection.

On 30.01.2022 Dr. V. Ramesh, the state Coordinator of MGNCRE- Department of Higher Education, Ministry of Human resource Development, Government of India came to visit the Ursuline women's Teachers' Training College, Lohardaga and with ONE DISTRICT ONE GREEN CHAPION AWARD certificate.

First of all, Dr. V. Ramesh introduced himself and explained about the purpose of his visit. Thereafter, he explained the five aspects of SAP under which the institution is working on. He started visiting the site one by one namely:

### **1. Water Management:**

- The Institution has good facilities for water management. There are 4 Water Harvesting Plant. The rain water from the terrace is being channelized into the soak pit which is constructed near the well and therefore, the water level of the well remains up during the summer season.
- There are 6 Bore Wells through which the ground water is utilized properly. There are 10 garden water taps which are used to water the fruits garden, vegetable garden and flower garden.
- There are 6 hand pumps (Chapakal) which are utilized in various ways. The institution is having 26 water tanks with the capacity of 500 litre each. The water is utilized for water the gardens, plants, trees and for the toilets and bathrooms.
- There are three Water Cooler and 4 Aqua guard for the use of drinking water to the students and staff.
- There is one big water tank and its capacity is about 3000 litre and it contains 24 taps. The water is used for drinking. The other small water tank of 500 litre capacity is also used for the drinking water.
- The drainage system is well maintained all over the compound. It is very neat and clean.
- There are 5 water pits to collect the wastage water and later it is used for the irrigation in the vegetable garden, fruits garden and trees.
- The waste water is utilized in a proper way. Therefore, the institution never faces the water problem in the campus.

### 2. Solar Energy and Conservation

- The institution has established 35 solar panel in the campus. The hot water is utilized for bathing and cleaning the vegetables and cooking the food.
- There is one transformer which is having 400 volts 25kv. The is used to reduce the voltage of conventional power circuits to operate low voltage devices and to raise the voltage from electric generators so that electric power can be transmitted over long distances.
- In the institution there are two big Computer Lab and one Language Lab with well established power energy.
- We pay attention to spare the electric energy by switching off the lights and fans wherever not necessary.
- The Institution pay attention towards the energy conservation as in the beginning of the academic session through conducting orientation programme. The students are told to use the energy in a proper way and they are made aware of the energy conservation.
- There are 4 generators of 10 kvwt, 30 kvwt. It is being utilized when the power is cut. Specially in the night its being used for the purpose of study in the hostels and residence.

### 3. Greenery

- The institution is surrounded by greenery. It is eco-friendly campus.
- The area under green cover is 12 Acre.
- The eco-friendly campus is having different types of plants like fruit plants, timbers, and wood plants.
- There are three vegetable gardens cultivated different types of vegetables and green leaves. And it is well managed by the in charge and co- workers. The neatness is maintained always.
- Keeping in mind the environment protection the institution utilises the decomposed manure like cow dung, decomposed leaves and grass and ash.
- There is availability of nursery in the campus. The nursery has different saplings like fruit, flower and vegetables.
- The institution has constructed one medicinal plant garden which has different plants like Aloe vera, Ginger, Guava, Tulsi and Brahmi and Cardamom and Merigold, Neem and Turmeric.
- The greenery is maintained by watering the gardens and from time and again putting manure and trimming the plants. Every Saturday the students are given the mandate to clean the campus, the classrooms and water the garden.
- The institution observes World Environment Day and, on this day, we plant different plants in the garden. we organise awareness programme and inspire the students to maintain the eco-friendly environment. We also celebrate Van Mahotsav every year to promote spirit of Go Green.
- The entry of vehicles are banned in the campus so that there is less chance of pollution, maintaining green campus.

#### **4. Waste Management:**

- The institution has adapted different means for waste management. Since it is surrounded by trees and green grass during the spring season the leaves fall from the trees and these leaves are collected, thrown in the decompose pits and after 3-4 months the decomposed is taken out of the pit and put in the flower garden or vegetable garden as manure.
- The institution has 3 pits for segregation of the solid wastes like: dry waste, wet waste, non- degradable waste i.e., Glasses, Rubber and plastic wrappers.
- The dustbins are kept in the compound to throw the waste particles.
- It is a residential College therefore, some amount of wet waste from the kitchen is segregated and is used for the animals as food. The cooked rice water is also used for the animals as food.
- The institution has a big farm so the waste cow dung is used as fire wood and also it is decomposed and used as manure which is put in the crop fields, vegetable garden and flower garden.
- The waste water from the hostels and college is collected in the pit and later it is used for irrigation in the vegetable garden and trees.

**4. Photos: Waste Management**

### **5. Land Use Management:**

- In the Land use Management, the institution has three sections namely; D. El. Ed., B.Ed. and M.Ed.,
- Total land area in acre is 21 Acre.
- Area under green cover is 12 Acre.
- Constructed area 395,100 Sqft.
- In the campus there is three well equipped multipurpose halls capacity of 1000, 400 and 300 approximate.
- There are two computer Labs with the capacity of 40 and 20 students per class. There is one language Lab with the capacity of 20 students per class.
- A well-established science Lab, Biology, Physics, Chemistry and Mathematics and Psychology Lab with 100 capacities.
- The institution also having big Playground.
- In the whole compound there are 100 toilets and 40 bathing rooms for the use of teachers and students.
- Sanitation and hygiene are well maintained. Every day the toilets and bathing are cleaned by the co-workers with the phenyl.
- Hand sanitizers are kept at the entrance door of the College both for teachers and students separately.

## 5. Land use Management

### Institution Outcome

The Ursuline Women's Teachers' Training College has successfully formed the Swachhata Action Plan (SAP) Committee and constituted the working groups under five aspects such as, Water Management, Solar Energy and Conservation, Greenery, Waste Management and Land use Management. during Post Covid-19, the Committee has worked a lot. The institution has organized different activities like, poster making competition, slogan writing, essay competition, poem, debate online workshop and webinar related to these five aspects and have uploaded in the social media to generate awareness among the people and take measure initiatives towards Swachh Bharat.

- The institution practices Cleanliness is next to Godliness every day. And these are the reasons that we have eco-friendly campus. And for this the institution has received **One District One Green Champion Award by the MGNCRE- Higher education department, Ministry of Education, Government of India on 30.01.2022.**
- On 30<sup>th</sup> October 2021 for First Jharkhand Chhatra Sansad Meet was organized and Daisy Lakra stood first in First Jharkhand Chhatra Sansad. She belongs to our institution, under Ranchi University.
- The institution is awarded with two Gold Medals from M.Ed. and B.Ed. sections namely Deepika Sharma and Neha Rani Tigga.
