4. You got an exposure to multiple modes of teaching learning in the college	5. Did you get opportunity to learn through internet-based sources during your stay in the College?	6. To what extent did the teaching-learning in the College enabled you to be capable of meaningfully adopting ICT based learning sequences for school teaching?	7. The learning activities provided in the college helped you to develop necessary competencies to become a teacher?	8. How well you were "prepared" for the practice of teaching in schools?	9. Did the orientation given for the school-based internship was useful and adequate?	10. My experience in school during internship was very useful	11. The internal evaluation in the college was relevant and impartial.	12. Overall qualities of teaching learning and Evaluation processes in the College are good?	13. Did the mentoring process in the college help you to resolve the difficulties in academic and personal matters?
